

Help WIFS Grow, And Win A Free Conference Registration!

2009 Membership Contest

WIFS is the pre-eminent women's organization in the insurance and financial services industry. With your help, we can continue to grow.

Increase our national membership to over 1,250!

The National Conference is a great opportunity for WIFS members to experience the awesome motivation that comes from interacting with hundreds of other powerful women in the industry.

This contest can help you do just that. It's a chance for you and/or your chapter to win FREE National Conference registrations based upon the number of new members you bring in between May 15 and September 15, 2009. Members-at-large are also eligible to participate.

How Does it Work?

It's simple! The more new members you sign up, the more FREE conference registrations you are awarded.

Chapters With < 20 Members

For each **4** new members, receive 1 FREE conference registration!

Chapters With 20+ Members

For each **5** new members, receive 1 FREE conference registration!

Members-At-Large

For each **4** new members, receive 1 FREE conference registration!

- FREE conference registrations may be awarded to whomever your chapter chooses.
- The total membership number of your chapter cannot decrease from the 5/15/09 number in order to win a registration. You must have net membership increase. Example: Your chapter has 15 members as of 05/15/09, and you ADD 9 new members, but you lose 5 members during the contest period. Your NET growth is $9-5=4$, thus earning you 1 FREE conference registration.
- If a member is currently a member-at-large, joining the local chapter does not count toward the membership total for this contest.
- **Members-at-large** — make sure new members note your name as "Referred By" on the on-line submission or membership application so that you can be credited for your referrals.
